

THEONE CHEMICAL CO.,LIMITED

TECHNICAL DATA SHEET

Sodium Hexametaphosphate

Product Name:Sodium Hexametaphosphate 68%

CAS No.: 10124-56-8

Packing:25Kg PP bag with inner PE liner

Application: For industrial use, such as oil field, paper-making, textile, dyeing, petrochemical industry, tanning industry, metallurgical industry and building material industry.etc

Specification:

Items	Industrial grade
Total phosphate	68.0%min
Not activity phosphate	7.5%max
Not dissolve matter	0.05% max
Iron	0.05% max
PH value	5.8~7.0
